

Dear Parents/Guardians

With current national attention being focused on children's health and wellness issues, Newburyport School District's Food Service Department is excited to provide parents a convenient, easy and secure online prepayment service to deposit money into your child's school meal account at any time. This service also provides parents the ability to view your child's account balance through a web site called MyNutriKids.com. By having money in each child's account prior to entering the cafeteria, we find the lunch lines move along much faster so your child has more time to eat and be with friends.

Also, parents will have the ability to print out a copy of their child's eating history report. This history report will show you all dates and times that your child has purchased a breakfast and or lunch within the past thirty days.

See instructions on setting up your child's account on the School Districts, School Lunch Web Page.

Things to know:

If you have more than one child in the District you can handle all online prepayments from the same online account.

Payments may be made through an existing PayPal account or with a major credit or debit card.

In order to use the online prepayment service, a small convenience fee for each transaction will be assessed to cover the bank fees. The convenience fee is \$1.75 per deposit transaction. Parents placing money into multiple meal accounts will only be assessed the \$1.75 fee once per deposit transaction. Newburyport School District does not profit from the use of this site.

We are very excited to offer this service, in direct alignment with the District's Strategic Plan/*Safe and Healthy Environments* priority, and are confident this system will benefit you, your child and our District. However, if you choose not to take advantage of the online prepayment service you may continue to make advance payments via cash or check, which should be made payable to Newburyport School Lunch. Please write your **child's full name and pin#** on the check or envelope for cash payments.

Please feel free to contact my office at 465-4460 with any questions.

Best Regards,
